

Confirmation

Confirmation is God's final installment in preparing us to go out and be missionary disciples for His Church. What your parents started in you in your baptism is now Confirmed by the Church. Through the Church we all receive a special outpouring of the Holy Spirit to go forth to spread and defend the Catholic faith. Are you ready to prepare for and accept that challenge?

With this in mind our teens are given a year to learn about what the sacrament of Confirmation is, who the Holy Spirit is, to grow in their relationship with Christ and His Church as they discern the reception of this powerful sacrament.

Main Components of Confirmation Formation

- Catechesis
- Confirmation Retreat
- Pilgrimage
- Retreat
- Service: summer is a great time to do this!
- Community
- Prayer/Discernment
